

ASSUNTO: THE DISCUSSION ON IMMUNIZATION

STUDENT B's QUESTIONS (Do not show these to Student A.)

- (1) Do you think we will be able to get immunized against all diseases one day?
- (2) Do you think immunizations are 100% safe?
- (3) Do immunizations stop at childhood?
- (4) Do you think new diseases will appear that need immunization?
- (5) Would you like to be immunized against old age?

STUDENT A's QUESTIONS (Do not show these to Student B.)

- (1) Why are immunizations important?
- (2) Do you have a good immune system?
- (3) Do immunizations and vaccines work?
- (4) Do you think there's a risk of catching the illness from the vaccine?
- (5) Would you prefer oral or injection immunization?
